Excision/Alteration: Yes

## Reason(s) for Excision:

Two excisions are required. These are to remove depictions of sexual conduct of a highly degrading, dehumanising and demeaning nature and where the female participants are highly degraded, dehumanised and demeaned. One excision involves a woman being forcefully held while performing a highly degrading and demeaning act. The second excision is to remove close up shots of a degrading nature. These combine the dehumanisation of a woman by reducing her to a sexual orifice and the degradation of a second woman by having her simultaneously perform demeaning sexual acts, then partake in a degrading ejaculation sequence.
